Sustainable Recovery

In June 2008, parts of eastern Iowa were devastated by a 500-year flood. Now eastern Iowa is rebuilding itself and transforming into a mixed-use, pedestrian- and transit-friendly area. [Discover how.](#)

Land of Flowers

Region 3 gears up for 2017 Philadelphia Flower Show with an EPA display – “America: Land of Flowers” – focusing on native flora that thrive in our own backyards. [Read more.](#)

Employee Profile

Sala Senkayi

This week we congratulate Dr. Sala Senkayi – our second January recipient of the [Presidential Early Career Awards for Scientists and Engineers](#) (PECASE), the highest honor bestowed by the U.S. government on science and engineering professionals in the early stages of their independent research careers. Sala works in water quality protection and is passionate about engaging students on science and the environment. Seven years ago, she initiated EPA Converses with Students, an Earth Day program giving kids the opportunity to speak with scientists from EPA, NASA and NOAA about important environmental issues. Learn more about Sala by visiting her [Delve profile](#).
